Learn the BodyAlign Language!

ACTIVE:

In order to earn commissions and bonuses in BodyAlign, you must qualify as ACTIVE. Meaning, depending on your level in BodyAlign, you must maintain a certain amount of PERSONAL VOLUME points every 30-calendar days in order to receive residual commissions and any applicable bonuses.

INACTIVE:

You become inactive if you do not meet your personal volume each month, you will not qualify and will not earn commissions/bonuses that month.

PERSONAL VOLUME (PV):

Personal Volume is the amount of product in points you personally purchase each month.

GROUP VOLUME (GV):

Group Volume is based on the total PERSONAL VOLUME points of each representative in your business team. Group Volume does not include your Personal Volume.

POINTS:

Each product in BodyAlign is valued by a number of points. Points are used to determine Personal Volume and Group Volume.

AUTOSHIP:

Autoship is a recurring monthly order that saves you the trouble of remembering to place an order every month. Each month, on a set day, your autoship will be charged and automatically sent to you. You have the ability to change your autoship order up to 24 hours before your order is set to ship. In order for Autoship to be considered "active," you must have a valid credit card on file with BodyAlign. Going on Autoship will help you keep your Personal Volume qualification met each and every month! Remember:

commissions and bonuses will only be paid to you if your Personal Volume qualifies each month.

RANK QUALIFICATIONS:
