## The Relief Disc is a fast way to stop hurting

The Relief Disc is designed to...

- Eliminate pain
- Reduce inflammation
- Reduce the chance of inflammation-related conditions
- Produce quick results

## Feel Comfortable Again

The Relief Disc helps stop pain dead in its tracks. It both eliminates pain and reduces inflammation... and that means that when you use it, you'll be less likely to suffer from things like sports injuries, muscle strain, joint pain, and menstrual cramps. It's the ideal product for anyone who wants less pain in their life.

Plus, when you use it daily, it helps reduce the overall inflammation in your body... and reduced inflammation

is associated with diminished symptoms of high blood pressure, migraines, fatigue and many other conditions linked to aging.

### What Our Customers Say

"I received my BA product and immediately placed the Relief discs on the inside of both my knees. Within a few minutes I felt less thickness and issues in walking. Then an hour later, walking was a breeze with no pain." -Elaine Kay

"I've been getting headaches, and for the last 4 weeks the relief discs have been a lifesaver. I put 2 discs on. In 5 minutes the headache is gone." -Ashli Kimball
