

Mass Disc Boost Your Strength

- Look and feel better
- Have the strength to be at the top of your game
- Reduce your chances of injury

M A S S

The Mass Disc has been demonstrated to increase muscle mass

It works for both men and women to ...

- Build muscle mass
- Restore muscle tone
- Increase natural testosterone

Pure Power

The Mass Disc is perfect for anyone who wants to build muscles without the use of drugs or supplements. It's also the perfect way to combat the deterioration of muscles that naturally comes with aging. Increased muscle mass can make you look and feel better. In fact, the Center for Disease Control encourages everyone over the age of 20 to maintain an active program to increase muscle mass.

Research shows the Mass Disc Increases natural testosterone, which has been linked to improved bone density, increased metabolism, fat reduction, a stronger immune system, and an enhanced libido.

Best of all... it's 100% drug free.

What Our Customers Say

"...Being a physical fitness trainer we specialize in working with all levels of athletes for more endurance, flexibility and balance. I have been working with supplements and other things to relieve anxiety, stress and neuropathy. I am very pleased to say that I have gained 17 pounds of lean muscle mass due to the Mass Discs and eating correctly. We work with all levels of athletes for more endurance, flexibility and balance." -Stan Jagow
