

The Breathe Disc Putting Spring Back In Your Life

- Reduce post nasal drip
- Reduce runny nose
- Reduce sneezing
- Relieve watery eyes
- Relieve scratchy throat and eyes

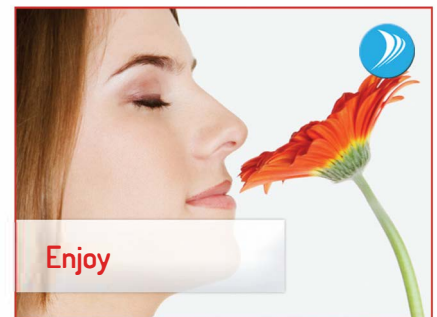

B R E A T H E

The Breathe Disc is an incredibly fast way to get rid of the symptoms of sinus allergies.

It's designed to...

- Clear the nasal passages and sinuses
- Reduce swelling in the eyes
- Eliminate antihistamines and decongestants
- Reduce coughing

It's A Beautiful Day... Enjoy It

It's a beautiful day outside, but you don't dare step out the door because you'll be in a world of coughing, swollen itchy eyes, a scratchy throat and a runny nose. What could be worse? Finally, you don't need to hide from the outdoors any more during the Spring, Summer and Fall. The Breathe Disc works fast to get you back into enjoying nature. It's the ideal solution if you want relief without using any drugs like antihistamines or decongestants. Stick it on and the allergy is gone.
